

09:10:44 1 **THE TRIBUNAL RESUMED AS FOLLOWS ON**

2 **MONDAY 30TH APRIL 2007 AT 10 .30 AM:**

3  
4 CHAIRMAN: Good morning.

10:34:00 5  
6 This session was convened for today to resume the public hearings in the  
7 Quarryvale module. In the light of yesterday's announcement, calling a  
8 general election for the 24th May, this course will not now be followed.

9  
10:34:14 10 The Tribunal will sit on Monday, the 28th May and commence with Tribunal  
11 counsel's opening statement and this will be followed with the calling of  
12 witnesses to commence on Tuesday 29th May.

13  
14 In following this course this Tribunal is adopting the precedence of other  
10:34:33 15 Tribunals in not conducting public hearings in the period leading to a general  
16 election. Having regard to yesterday's announcement the Members of the  
17 Tribunal consider it appropriate that the Tribunal should not recommence a  
18 lengthy module in circumstances where it would only be possible to take  
19 evidence for three or four days. All right?
